**FINDING**

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

**18 U.S.C. § 2113(a): BANK ROBBERY as charged in the Indictment.**

**JUDGMENT  
AND PROB/  
COMM  
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of: **TWELVE (12) MONTHS AND ONE (1) DAY.**

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline §5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Leroy Edgar Sangster Jr., is hereby committed on Count 1 of the Indictment to the custody of the Bureau of Prisons for a term of twelve (12) months and one (1) day.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment. The Court further recommends that the Bureau of Prisons house the defendant in a federal medical center, to ensure the defendant receives adequate mental health treatment.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation Office and General Order 05-02.
2. During the period of community supervision, the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall cooperate in the collection of a DNA sample from the defendant.
4. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from custody and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.

5. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using alcohol and illicit drugs, and from abusing prescription medications during the period of supervision.
6. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the Probation Officer's approval. The Probation Officer shall disclose the presentence report and any mental health evaluations to the treatment provider. In ordering the defendant to take all prescribed antipsychotic medication as directed by a medical professional, the Court has considered the medically-informed record, one that encompassed an independent and timely evaluation of the defendant by a medical professional, including attention to the type of drugs proposed, their dosage, and the expected duration of the defendant's exposure to such drugs. The defendant had the opportunity to challenge the evaluation and to offer the defendant's own medical evidence in response. The Court finds that this order involves no greater deprivation of liberty than is reasonably necessary for the purposes set forth in 18 U.S.C. §§ 3553(a)(2)(B),(C), and (D).
7. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential treatment program for co-occurring disorders approved by the United States Probation Office for treatment of mental health disorders and substance abuse or drug dependency, which may include psychiatric services, counseling and substance abuse testing. The defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer.

Upon the defendant's release, the Court recommends that the Bureau of Prisons transport and accompany the defendant to his placement. The Court also recommends that the Bureau of Prisons provide the defendant with at least a 30-day supply of medication.

The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge.

The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

The Court advises defendant of his rights to an appeal. The Court recommends, but does not order, that defendant (1) be placed in a federal facility with care-level 3 medical treatment; and (2) serve his term at a federal facility near Waukegan, Illinois.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
